May is Our Membership Drive Month

We need to reinvigorate our Community Partners program. I want to ask each member to select one new business that you patronize and talk to them about supporting AFA. We will have plenty of new individual and Community Partner applications available at our May dinner. I assure you that any new businesses you make us aware of will be visited and encouraged to join our Chapter. I also want to encourage you to keep a copy of our newsletter in your car as a reminder to support these businesses. Let them know you are a member of AFA. I look forward to seeing each one of you at our 17 May Chapter meeting.
